## **Part B**

### ***1. Activities reflecting the goals and objectives of the institute:***

The IQAC activities were planned with the objective of fulfilling the need of higher education for students in rural area, thereby developing the intellectual potential of the students through a rich and extensive academic experience. This objective was successfully achieved to a considerable extent during the year.

### ***2. New academic programmes initiated (U G and PG):***

--

### ***3] Innovations in curricular design and transaction***

The curriculum designed by the University is implemented scrupulously by the college. Some of the teachers have written text books (Dr. T.N. Gaikwad on 'Public Administration'). Some teachers, who are members of Boards of Studies, are contributing for the necessary update in the syllabi. Workshop for implementation of New syllabi are conducted in the college.

### ***4] Inter – disciplinary programmes started***

The following programmes were continued

- 1) Degree Course: B C A, 2) B.Sc. (Computer Science)

### 5] Examination reforms implemented

The institute took the decision of printing the question papers for internal examinations, pre semester examinations at the college only. Formerly this work was assigned to outside agency. It was also decided to hold examinations on priority basis in the rooms having CCTV cameras.

### 6] Candidates qualified: NET/SLET/GATE etc.

-----

### 7] Initiative towards faculty development programme
