Event / Activity details

Students : B.Sc

Faculty: Dr A.G. Jadhav

Dr. Gunaji Baje

Dr.

Objet: To create interest in students regarding Manufacturing of Drugs.

We reached Godavari Drugs at 10.0 AM. and just after refreshment started to visit different departments like Raw material storage department where the procedure of procurement of raw material & storage of material were explained. Followed by manufacturing (packaging), quality control, quality assurance, all the departments were brief with procedure related to all aspects at length by head of each department.

The interaction with pharmaceutical delegates were much informative to explain the students in real practical world of manufacturing. The delegates were also impressed with curiosity of our students to learn the subject related problems and how to deal with it.

We are thankful to Mr. Girish Deshpande for allowing visit to plant.
