Event / Activity details

Students : B.Sc : Faculty: Dr. A.R. Korlaed

Dr. Ganesh Berao, Dr. Saresh Pooje

Objed: To develop interest in students regarding manufacturing of drugs

We reached there by 10:10 Am, after refreshment started to interact with delegates / Nos. of different department like Raw material, Storage then manufacturing, quality control, quality assurance all the departments were brief with procedure related to all aspects.

The interaction with pharmaceutical delegates were much informative to explore the student in real practical world of manufacturing. All delegates were also impressed looking after curious student of their level of learning & gaining proper knowledge of pharmaceutical industry.

We are thankful to Mr. Girish Deshpande for allowing visit to plant
